THIRTY-FIRST YEAR, VOL. XXXI, NO. 51

WILLIAM H. TAFT AT DODGE CITY

REPUBLICAN CANDIDATE FOR PRESIDENT OF THE UNITED STATES WILL BE HERE ON SATURDAY, OCTOBER 3. EXPECTED TO MAKE SHORT SPEECH.

THE SCHEDULE OF THE TRAIN

Not Definitely Announced Yet.
Everybody Should Keep
Posted on Later Arrangements.

William H. Taft, Republican nominee for the presidency, by the present arrangements will be Dodge City on Saturday, October 3rd. Judge Taft will leave Denver by a special train over the Santa Fe so as to enter Kansas some time the morning of October 3rd. The arrangement of the national committee is to have the Republican candidate for president make speeches at the different towns along the line, from the rear of the train. It is supposed now that the train will be here in the morning. The schedule will be obtained as soon as possible, and announced. Everyone should make it a point to keep posted, and be at the depot, if the train reaches here at any time after day light. This will give you an opportunity to see and hear one of the greatest men that this country has ever produced. As soon as the time of the train can be learned unless the hour of the train's arrival should be before daylight, arrangements will be made for Judge Taft's reception in Dodge City.

There will no doubt be an earnest attempt made by Garden City to have the Taft train stop there and if the train is there after daylight, it will get here late enough in the morning to have a big reception.

State Chairman Dolley attended a meeting at Chicago the first of the week, at which a speaking tour through several states was arranged for Judge Taft. Mr. Dolley succeeded in getting three speeches in Kansas, at Topeka, Leavenworth and Atchison, besides short speeches from the train at most of the stations along the Santa Fe.

"The true friend of reform, the true foe of abuse, is the man who steadily perseveres in righting wrongs, in warring against abuses, but whose character and training are such that he never promises what he cannot perform, that he always a little more than makes good what he does promise, and that, while steadily advancing, he never permits himself to be led into foolish excesses which would damage the very cause he champions. In Mr. Taft we have a man who combines all of these qualities to a degree which no other man in our public life since the civil war has surpassed. To a flaming hatred of injustice, to a scorn of all that is base and mean, to a hearty sympathy with the oppressed he unites entire disinterestedness, courage both moral and physical of the very highest type, and a kindly generosity of nature which makes him feel that all of his fellow-countrymen are in very truth his friends and brothers, that their interests are his, and that all his great qualities are to be spent with lavish freedom in their service."—Theodore Roosevelt.

Conductor Thomas, who runs in here on the Santa Fe from the east, has been the happiest man on the Santa Fe system, for the past week. A number of years ago, Conductor Thomas went to Australia. His wife and son remained in this country. They moved to a different part of the country, and the mother died. When Conductor Thomas returned to this country he could find no trace of the son. By some means he got on track of him recently in California, and wrote a letter of inquiry. An answer reached him at Dodge City one day last week. It came from the son. He had made his way through college and is now manager of a wholesale concern in California. Mr. Thomas expects to make a sixty days visit in California in the near future.

FARRELLY SPOKE HERE

Candidate for U. S. Senator On the Democratic Ticket Trying to "Help" in Ford County

H. P. Farrelly, the democratic candidate for United States senator, spoke at the court house here on last Tuesday evening to a small crowd. Mr. Farrelly in his speaking tour is speaking in the counties where the democrats are making a special effort to elect representatives, so that his visit here may be taken to mean that the Democrats of Ford county are working on that kind of a proposition. Mr. Farrelly was the candidate of the democrats two years ago for Lieutenant Governor and has served in the state senate. He is a lawyer of ability and a fair speaker. Some of his arguments are in the direct line of appealing to prejudice, and are no doubt tiresome to the average person. But he is a smart man and knows that there are some who are caught with this kind of argument.

It seems to be the opinion of the democrats of the state, that on account of the late war in the Republican ranks over nominating a candidate for U. S. senator, that there will be a chance to pick up a lot of representatives in the various counties.

Ford county was a Long county, but the Republicans of this county will do their best toward electing Bristol, just the same, and they will not go to sleep on the representative question.

CHICKEN SEASON OPEN

Hunters Started Out Tuesday Morning in Rain Storm for the First Chicken Shooting of 1908

The Kansas game law allows prairie chicken to be killed from September 15 to October 15, so that the season opened on Tuesday of this week. Tuesday morning the rain was pouring down but that did not stop a number of hunters from driving to the country. There is a good deal of difference of opinion regarding the chicken crop this year. Some claim that there are prairie chicken in large numbers and others say that they are a scarce article. It is a hard matter to determine. Most of the ranchmen refuse to let hunters come on their premises, and the few places where hunting is allowed will soon have the birds all killed off. The number of licenses issued for this year is less than 90, up to date, so that it is likely that a good many are hunting without licenses.

RUSSELL NOT COMING

Has Sent Word Since Last Week That He Will Not Accept the Call to Dodge City

The many who were pleased with the prospect of Rev. Russell returning to Dodge City will be disappointed with the reply he has sent to the call tendered him to the Dodge City church. When the call was sent, there seemed to be every assurance that Rev. Russell would return. A few days ago a reply was received which was unfavorable, and which seems to settle definitely that he will not return to Kansas.

WEATHER BUREAU SITE

Government Seems to Favor the Schmidt Property on Railroad Avenue

The government seems to favor the Schmidt corner, on Railroad avenue, for the Weather Bureau building site. Word was received here this week that the abstract of that property, should be sent to Topeka at once, for examination. It is thought that if the title is satisfactory, that this site will be purchased by the government. Fifteen days are left yet, according to the options secured, and the purchase is to be made in that time. If any fault should be found with the title to the Schmidt site, the choice would then probably fall upon the Sweeney corner on First avenue.

A DOUBLE WEDDING.

Two Couples from Bucklin were Married in Dodge City last Week by Judge Preston.

One day last week two couples from Bucklin came in an auto to Dodge City to be married. They went to the probate judge and secured their licenses and at 5:00 o'clock that evening the double knot was tied by Judge Preston. They remained at Dodge City for a day or so before returning to Bucklin. On account of the bashfulness of the happy bridegrooms their name were withheld from publication last week. They were Miss Anna A. Gustafson and James Harry Harding, and Miss Winona Pearl Harding and James Raymond Acton.
